Take a look at the mountain  
Stretching a mile high  
Take a look at the ocean  
Far as your eye can see and think of me  
Take a look at the desert  
Do you feel like a grain of sand?  
I am with you wherever  
Where you go is where I am  
And I'm always thinking of you  
Take a look around you  
I'm spelling it out one by one  
I love you more  
Than the sun and the stars  
That I taught how to shine  
You are mine and you shine for me too  
I love you  
Yesterday and today and tomorrow  
I'll say it again and again  
I love you more  
Just a face in the city  
Just a tear on crowded street  
But you're one in a million  
And you belong to me, yeah  
And I want you to know  
That I'm not letting go  
Even when you come undone  
I love you more  
Than the sun and the stars  
That I taught how to shine  
You are mine and you shine for me too  
I love you  
Yesterday and today and tomorrow  
I'll say it again and again  
I love you more, I love You more  
Shine for me, shine for me  
Shine for me, shine on  
Shine on, shine for me  
I love you more  
Than the sun and the stars  
That I taught how to shine  
You are mine and you shine for me too  
I love you  
Yesterday and today  
And tomorrow  
I'll say it again and again  
I love you more  
Than the sun and the stars  
That I taught how to shine  
You are mine and you shine for me too  
I love you  
Yesterday and today and tomorrow  
I'll say it again and again

I love you more, I love you more  
I love you more
