

Obscene

Aline

If you must ask you were in my heart always.
If I did not comfort you or say the right things
 You were here every time I looked within
 I don't know where I've been
 All I really know is this seems obscene
 Forgive me for what you've seen
 All I really know is I've been obscene to you
 I wish you luckEvery breath was for you,
 Even though you won't believe me
 And as I walk away tears flow in my eyes
 We both know that this love was never right
 I don't know where I've been
 But all I really know is this seems obscene
 Forgive me for what you've seen
 All I really know is I've been obscene to you
 I wish you luck, I wish you luck
