

# Absolutely (story Of A Girl)

## Nine Days

This is the story of a girl  
Who cried a river and drowned the whole world  
And while she looks so sad in photographs  
I absolutely love her  
When she smiles  
Now how many days in a year  
She woke up with hope  
But she only found tears  
And I can be so insincere  
Making her promises never for real  
As long as she stands there waiting  
Wearing the holes in the soles of her shoes  
Now how many days disappear  
When you look in the mirror?  
So how do you choose?  
Your clothes never wear as well the next day  
And your hair never falls in quite the same way  
You never seem to run out of things to say  
This is the story of a girl  
Who cried a river and drowned the whole world  
And while she looks so sad in photographs  
I absolutely love her  
When she smiles  
Now how did we wind up this way  
Watching our mouths for the words that we say  
As long as we stand here waiting  
Wearing the clothes or the soles that we choose  
Now how do we get there today?  
When we're walking too far for the price of our shoes  
Your clothes never wear as well the next day  
And your hair never falls in quite the same way  
You never seem to run out of things to say  
This is the story of a girl  
Who cried a river and drowned the whole world  
And while she looks so sad and lonely there  
I absolutely love her  
When she smiles  
Well your clothes never wear as well the next day  
And your hair never falls in quite the same way

You never seem to run out of things to say  
This is the story of a girl  
Who cried a river and drowned the whole world  
And while she looks so sad in photographs  
I absolutely love her  
This is the story of a girl  
Her pretty face she hid from the world  
And while she looks so sad and lonely there  
I absolutely love her  
This is the story of a girl  
Who cried a river and drowned the whole world  
And while she looks so sad in photographs  
I absolutely love her  
When she smiles  
When she smiles!
