

# Betterment Mouth

## Midnite

Every time we ask the king say  
King Rastafari give us day to day  
Perceive it in every way  
Humans do make mistakes  
And learn we're not to play  
In times when aggressive ways  
When tempers flare away  
Fearing our chance at our debate  
When it's difficult to walk on the narrow and straight (yea) From of it speak of this cloud  
It should bring all the bitter rage out  
Better writing to all that knows  
Rasta speak about the betterment mouth  
Many fearful of the innocent doubt  
Can't trust about when resources run out  
World wiper of germ of them on the gates  
From the lumber yard to heads of state  
Some of them going up and others field ways  
Meanwhile some of them just in the same place  
But they will be so wicked they will not change  
And that I say that I was saved (yea oh yea) Problem's that they take bland food off the plate  
All nations participate in error court wait  
How things are verily come down of late  
How the same issues are dominate  
Who build the system in a Jerusalem place  
Because the originals no one duplicate (yea) From of it speak of this cloud  
It should bring all the bitter range out  
Better writing to all that knows  
Rasta speak about the betterment mouth  
Many fearful of the innocent doubt  
Can't trust about when resources run out  
What's I about that I abound repair is need  
I just I be just indeed  
Got the perpetual can see the deceit (ah-heeh) I know it the government official gonna bleed  
From the stress or from the bitter middle east  
Rasta gonna rid him crime and disease  
Selassie speak his peace (oh-yea yea yea) The way of the king is light  
We are the sheep of his pasture his kingdom right  
Hit-em all with my retard creases I hear Christasus Christ, Christ  
Yes see now those in womb the Lord delight

No doubt the fate of Rastafari got to fight  
Liberty's strong and is our teacher in life (yes)From of it speak of this cloud  
It should bring all the bitter rage out  
Better writing to all that knows  
Rasta speak about the betterment mouth  
Many fearful of the innocent doubt  
Can't trust about when resources run outWhat's I about that I abound repair is need  
I just I be just indeed  
Got the perpetual can see the deceit (yea)Oh yea oh yea  
Yea oh oh oh oh oh-yes  
A a a oh yea  
Oh yea oh oh oh-yes  
Oh yea.
