

# Love Is Strange

## Dirty Dancing

Baby, love is strange  
Many many people, take it for a game  
    My sweet baby, love is strange  
        Yeah yeah  
    Many many people, take it for a game  
        Yeah yeah  
    Love is strange  
    Love is strange  
        Yeah yeah  
    Many many people, take it for a game  
        Yeah yeah  
    Love is strange  
    Love is strangeMany people, they don't understand  
They think that having love is, like having money in the hand  
    My sweet baby, love is strange  
Many many people, seem to take it for a gameLa la la la  
    Love is strange  
        La la la la  
    Love is strange
