

Love Me the Way You Do

Armand & Angelina

[Armand:]

I look up the sky
The sun beats down on you
It makes me warm and high inside
But then I see an even brighter shade of blue
When I look into your eyes

[Angelina:]

You're more than I ever wanted in someone
You bring me love I never knew
And here to help you know you've always been enough
I devote my life to you.

[Armand:]

If I could only love you the way you do

[Angelina:]

If I could only love you the way you do

[Armand:]

I'd breathe in all the beauty that wakes me up to life

[Angelina:]

Wakes me up to life

[Both:]

Wakes me up to you

[Armand:]

You say you love me as you look into my soul
I find it so hard to believe....

[Angelina:]

But what I love is just a mirror of myself
Look at what you've done for me.

[Armand:]

I'm learning how to love you the way you do

[Angelina:]

I'm learning how to love you the way you do

[Armand:]

I breathe in all the beauty that wakes me up to live

[Angelina:]

Wakes me up to life

[Both:]

Wakes me up to you

[Armand:]

Happiness is simply learning how to love

[Angelina:]

It's more abundant than the grains of sand

[Angelina:]

Unless we open up and give it to ourselves

[Both:]

It'll slip right through our hands

[Armand:]

There's still a part of me that doesn't have a clue

Why you say that I'm the one

[Angelina:]

Cause everything you've done has drawn my heart to you

[Both]

Paradise has just begin

[Armand:]

I finally learned to love me the way you do

[Angelina:]

I finally learned to love me the way you do

[Armand:]

I breathe in all the beauty that wakes me up to life

[Angelina:]

Wakes me up to life

[Armand:]

Wakes me up to you
