## V Stuck

Kiddo Marv:

Rubbing your pussy kissing your neck  
The way your nigga keep you in check  
I know that shit gone get you wet the  
Way you moaning in my ear itâ€™s gone  
Get a nigga stronger Iâ€™ve been sippin  
On this henney so I can stroke a lil longer  
My main bitch calling me I canâ€™t pick up  
I got her scream riding my dick from the  
Back so when you bounce I see the cream  
You donâ€™t know how this go and Iâ€™m telling  
You itâ€™s just the tip an though I canâ€™t eat  
You Pussy unless you sucking my dick then  
Hey I ainâ€™t gone play this dude is both ways  
If you wanna 69 put the pussy in my face  
Probably stick my tongue inside if a nigga  
Like the taste hey

V Stuck:

He call me everyday I know he want it  
He texted me last night and said V I know  
You want it he moaning and groaning  
I left my stiff where itâ€™s at I put this pussy  
In his face now he running like a jack aye  
I got him running like a runner back he tell  
His friends how I roll my tounge aye he tell
