Hello, hello, hello
Hello, hello, helloAnd I thought about you today
And I thought about the things you used to say
And I thought about the things we did
And I thought about your newest kid
And damn that makes 2 nowOh what do I do now?
'Cause if we ever got together
I'd have to be them niggas step-pops forever
And well that I ain't my thing cause I
I ain't even got my own
And I ain't really got no home
No place to put these things I own
And I thought about the things you used to say
And I thought about the games we used to play
And I thought about that little kid
And I thought about the things we did
I always thought that we would be together
I always knew that we would be together
But I don't wanna wait forever
I don't wanna wait foreverHello, hello, hello
Hello, hello, helloHello, hello?
Shit seem so sad when you look back
Shit seem so sad when you look back
Shit seem so sad when you look back
Shit seem so sad when you look back
Shit seem so sad when you look back
Shit seem so sad when you look back
Shit seem so sad when you look back
Never seem so sad when you look back
On the rebound like a book back
On the rebound like a book back
Don't just sit back, bitch get on it

Time fly by way too quick don't it
Reflection bring regrets don't it
Rejection make your defences
So you protect your pride with your reflexes
But life is a game with no reset on the end
And ain't no lookin' back, no, no, noNo it ain't no lookin' back, no, no, no
No it ain't no lookin' back, no, no, no, noIt ain't no lookin' back, no, no, no
No it ain't no lookin' back, no, no, no
No it ain't no lookin' back, no, no, no, noHello, hello, hello
Hello, hello, helloAnd I thought about you today
And I thought about the things you used to say
And I thought about the things we did
And I thought about your newest kid
And damn that makes 2 nowOh what do I do now?
