

# Pistol Grip Pump

## Rage Against the Machine

Pistol grip pump on my lap at all times  
Pistol grip pump on my lap at all times  
Pistol grip pump on my lap at all times

They can be fucking with other niggas shit, but they can't be fucking with mine

Pistol grip pump on my lap at all times  
Pistol grip pump on my lap at all times  
Pistol grip pump on my lap at all times

They can be fucking with other niggas shit, but they can't be fucking with mine

I was raised in the hood called what the diffrence  
The brothers in the hood be Chivalrous  
So i rest defense on my ligaments  
Pistol grip pump on my lap, riskin it  
Full life living it, never giving it back  
Too late for slipping, so slack up  
On my lap its on your lips so track shot  
A steel dick more clip for pump but  
All I'm saying there ain't no question who the man is  
In my civic or in this show biz  
I drill the fool, kill the fool  
Come on what you say?

i think i can take care of all you muthafuckas don't delay right away

Pistol grip pump on my lap at all times  
Pistol grip pump on my lap at all times  
Pistol grip pump on my lap at all times

They can be fucking with other niggas shit, but they can't be fucking with mine

Pistol grip pump on my lap at all times  
Pistol grip pump on my lap at all times  
Pistol grip pump on my lap at all times

They can be fucking with other niggas shit, but they can't be fucking with mine

Pistol grip pump on my lap at all times, right?

Cause tricks be out for your blindsde

Never understood it, but remember i showed you

That in these times you gotta look over your shoulder, strap

Well that ain't nothin' but the intent of gettin high

And a cop giving you shit for just passing you by

If your ever in trouble or on the double best to call your pals

If you got none buy a shotgun

Got a new new style

Around Me

Are we getting along? we family, we better be

We got your back, we got your back kid

Just don't be pointing one of them guns, allright man

Pistol grip pump on my lap at all times

Pistol grip pump on my lap at all times

Pistol grip pump on my lap at all times

They can be fucking with other niggas shit, but they can't be fucking with mine

Pistol grip pump on my lap at all times

Pistol grip pump on my lap at all times

Pistol grip pump on my lap at all times

They can be fucking with other niggas shit, but they can't be fucking with mine

Pistol grip pump on my lap at all times

Pistol grip pump on my lap at all times

Pistol grip pump on my lap at all times

They can be fucking with other niggas shit, but they can't be fucking with mine

Pistol grip pump on my lap at all times

Pistol grip pump on my lap at all times

Pistol grip pump on my lap at all times

They can be fucking with other niggas shit, but they can't be fucking with mine
