99 In the Shade

Bon Jovi

Advisory - the following lyrics contain explicit language:

I feel I'm burnin' up with fever
The fire's feelin' really good tonight, but it's all right
'Cuz I'm gonna see Sahara Jack and Suntan Sally
Somebody tells me even Tommy's comin' down tonight
If Gina says it's all rightI'm gonna see those senoritas lyin' under the sun
Yeah, they're greasin' it up with their stereos on
You know I wanna be their blanket, gonna tell every girl
Hey baby, you're the oneWhoa, tell the boys I'm on my way
I got the radio blastin' in my old man's Chevrolet
I got a party in my pocket and you know I just got paid
And I'm feelin' fine, it's 99 in the shade, whoa yeahWhen the sun goes down, that's when the street heats up
Senorita, margarita, fills your empty cup tonight
She makes you feel so right
A good time here doesn't cost much money
Just a little sweet talkin', gets the pretty native honey
And you're set for life or one hell of a nightI can see those sons of beaches out there livin' it up
Yeah, the surf and the sand, man, our life ain't so tough
So get me in the action, gotta tell every girl she's the oneWhoa, tell the boys I'm on my way
I got the radio blastin' in my old man's Chevrolet
I got a party in my pocket and you know I just got paid
And I'm feelin' fine, it's 99 in the shade, oh
I'm feelin' fine, it's 99 in the shadeYeah, I can almost taste it [Incomprehensible]99, 99, 99, 99 in the shade
99, 99, 99 in the shadeWhoa, tell the boys I'm on my way
I got the radio cranked in my old man's Chevrolet
I got a party in my pocket, you know I just got paid
And I'm feelin' fine, it's 99 in the shade
And though you know I'm feelin' fine, it's 99 in the shadeI wanna get a little lucky, I want to get in the sun
I, I, I'm goona find a senorita, I'm gonna tell everyone
I'm feelin' good, I'm on my way
Catching the summer time and I just got paid
It's 99 in the shade, I'm on my way, so come on
