Lil' Somthin' Somthin'

Insane Clown Posse

Mr. Jackson, what are you talking about?
Well, I've heard about those parties, they're immoral
Mr. Jackson, I thought you were respectable gentlemen
Now, don't give me that respectable gentlement bullshit
You little bitch
Mr. Jackson?
Now, stop playing dumb, you dizzy cuntHey baby, I heard you like to freak
Then come out to play with me
Baby, I heard you like to freak
Then come out to play with meHey, what's up, I'm new in town
I work for the circus, Shaggy the Clown
Anyway, ole girl, I seen you around
I guess I'm trying to say that I wanna be down, hey
We had ice cream, sat in the park
I walked her all the way home when it got dark
She took me inside and when the door shut
Next thing you know I had my nuts in her butt, uhhI wanna bitch whose down to fuck right away
And even does my homies if it's okay
A little bitch that's down with a quicky
I love chicky chicky, I ain't being picky though
So you might be a little bit fat
You might even stink a bit, I don't mind that
Even if you don't fuck on the first date
Just put my nuts in your mouth and I'll stayI need a gir that just don't give a fuck
So, I'm caught strokin' her mom, I mean, so what
A little skins here and there, ain't nothing
I just need a bitch whose down with a lil' somethin', somethin'Hey baby, I heard you like to freak
Then come out to play with me
Baby, I heard you like to freak
Then come out to play with meMy name's Violent J, so I can't fuck around
Who's the dirtiest bitch in the whole town?
There she go, she workin' at Dairy Queen
Bitch couldn't be a day over fifteen
So I do her in the butt like that
I hit it so quick, I made her butt-cheeks clap
Why wait around till she gets married
'Cause I'm ready as long as the neden's hairyTootsie-tootsie pumpkin pie, oops
Looks like you got nut in your eye
My fault, I didn't notice, you was still there

Now go and wash that shit out your hair, bitch
I want a girl not afraid to bone
Even if her momma's and pop's still home
And if her daddy suddenly walks in
He just might see me my nuts on his daughter's chinEverybody in the hood says that you're easy
You look a little cracked out, a little sleasy
You're a basehead, baby, it ain't shit
I'm still down if you down for a lil' somethin', somethin'
A lil' somethin', somethin'Hey baby, I heard you like to freak
Then come out to play with me
Baby, I heard you like to freak
Then come out to play with meBitch, let me hit, I won't be long
As soon as I nut, I'm gone
Bitch, let me hit, I won't be long
As soon as I nut, I'm goneBitch, let me hit, I won't be long
As soon as I nut, I'm gone
Bitch, let me hit, I won't be long
As soon as I nut, I'm goneHey baby, I heard you like to freak
