Monkey Man

Glenn Hughes

I don't, really want to suffer
Earthquake, in the engine room
You scream, you don't get enough a
I shake, when you pack the boomYou don't relay
You don't accept
You will be swept away
I won't delay
I only want to sayI'll tell you something for nothin'
I'm not your monkey man
Now I'm gonna send you a letter
Cuz I'm not your monkey manIt's so real
it's so real
it's so realGlad rags, you have got me thinking
You creep behind my back
My bags have been packed, I'm swearin'
I reap, just what you lackI won't delay
I only want to sayI'll tell you something for nothin'
I'm not your monkey man
Now I'm gonna write you a letter
Cuz I'm not your monkey manIt's for real
It's for real
it's for realYou don't relay
You don't accept
You will be swept away
I won't delay
I only want to sayI'll tell you something for nothin'
I'm not your monkey man
Now I'm gonna send you a letter
Cuz I'm not your monkey manI'll tell you something for nothin'
I'm not your monkey man
Now I'm gonna write you a letter
Cuz I'm not your monkey manIt's for real
It's for real
it's for rea
