Unstoppable

Syleena Johnson

I'm Unstoppable
I'm Unstoppable
My Loves UnstoppableI could never control you
I would never try to hold you back
Back, back, back
That's the only way to show
Our love is more grown, and we got proof
And we weathered all we've been through
Good, good and all the bad
So whenever you feel that you need more
Let me know
Cuz I believe that our love is worth fighting forIf I gotta walk through the fire
And one million miles is what it takes,
To get to you
I'm Unstoppable
I'll walk through the desert,
I'll swim through the ocean,
Climb a mountain,
As long as my place is next to you,
I'm Unstoppable
I'm Unstoppable
I'm Unstoppable
My Loves Unstoppable
I would always try to show you
That the love we had was meant to Last
Last, last, last
You don't ever have to worry
Even if it hurts,
I'll be bulletproof
Baby I'll do anything for you
I, I got your backSo whenever you feel that you need more
Let me know
Cuz I believe that our love is worth fighting forIf I gotta walk through the fire
And one million miles is what it takes,
To get to you
I'm Unstoppable
I'll walk through the desert,
I'll swim through the ocean,
Climb a mountain,

As long as my place is next to you,
I'm Unstoppable
I'm Unstoppable
I'm Unstoppable
My Loves UnstoppableMy love don't quit
No it don't give up
When it gets tough
I'ma fight for usMy love don't quit
No it don't give up
When it gets tough
I'ma fight for usSo whenever you feel that you need more
Let me know
Cuz I believe that our love is worth fighting forIf I gotta walk through the fire
And one million miles is what it takes,
To get to you
I'm Unstoppable
I'll walk through the desert,
I'll swim through the ocean,
Climb a mountain,
As long as my place is next to you,
I'm UnstoppableIf I gotta walk through the fire
And one million miles is what it takes,
To get to you
I'm Unstoppable
I'll walk through the desert,
I'll swim through the ocean,
Climb a mountain,
As long as my place is next to you,
I'm Unstoppable
I'm Unstoppable
I'm Unstoppable
My Loves Unstoppable
