

Pop the Glock (Mirwais Pop Remix)

Uffie

MC Mic
People Call Me Uff
When I rock the party
Bust a nut
Feadz is breakin' out the beat
Shit be hotter... Then Me
Me and He are criuse on a mission
Better watch out my clan gets vicious
Bad ass bitch
I'm rated X
I'm gifted
Ain't gotta sell sex
Cross the beach onto the street
Gotta work hard
No room to cheatCrunk and grind that's my bloodline
Feadz is mixin
Uffie's shoutin
Uffie's bangin
Feadz is bangin
Time to get low
Do the toostie roll
That's how we do
Do it hot
And if you understood would you...
Stop hatin
Playing Hard
I got a loaded body gaurd
Don't make a move
You glock then pop
Uffie's gonna make the shit rock
Like Dough
Dough I like
Boys call me when they feel freaky hot
I run the show
You got to slow
Pick up the pace with your cracked out face
Uffie's bangin
Feadz is bangin
Time to get low

Do the toostie roll
 That's how we do
 Do it hot
 And if you understood would you...
 Be my rhyme
 If you can
 Yeah you talk shit
 Think I care
 My style in this flow
 Is confusing cuz you don't knowPop the glock x7
 The glock you pop
 Sound like twista
 Fast as hell
 Our rock will beat you no damn well
 Gonna make it to the top

 Down low Is where to keep it

 Gonna to tear you down
 Underneath you just a clown
