

That's My Impression (Disco Mix) [2001 Remaster]

Pet Shop Boys

I went looking for someone I couldn't find
Staring at faces by the Serpentine
Walking slowly, I realised
You'd been and gone, I know you lied
That's my impression [Repeats]The wind was chilly and the sky was dull
I went for shelter to the temple
Once inside I couldn't believe my eyes
You'd been and gone, I know you lied
That's my impression [Repeats]Go to a club, you think I'll be there
I don't go 'cause I'm not a member
You said you went to apologize
It's plain to me that's one more lie
That's my impression [Repeats]I went looking for someone I couldn't find
Staring at faces by the Serpentine
Walking slowly, I realized
You'd been and gone, I know you lied
That's my impression [Repeats]
It's an expression
And a suggestion
I learned my lesson
That's my impression
That's my impression (impression)
That's my impression
That's my impression (impression)
I learned my lesson
