

# In the Middle of a Heartache

Wanda Jackson

I'm in the middle of a heartache  
Half out, half in  
Not quite out of love with you  
Not too much in love with him I'm in the middle of a heartache  
Half way, half blue  
Can't give all my love to him  
When I'm still in love with you Just when I think that, I've forgotten you  
The mem'ry of your love grows dim  
That old pain starts again of wanting you  
More than I ever wanted him I'm in the middle of a heartache  
Heart old, heart new  
Can't give all my love to him  
When I'm still in love with you Just when I think that, I've forgotten you  
The mem'ry of your love grows dim  
That old pain starts again of wanting you  
More than I ever wanted him I'm in the middle of a heartache  
Heart old, heart new  
Can't give all my love to him  
When I'm still in love with you  
(In love with you)
