

I Could Be the One

Stacie Orrico

I could be the one
I could be the one I wonder who I've got to be, for You to want to use me
I do not always have just the right words to say
But You tell me simple things that I'd love the chance to bring
To a world of people who just simply need You Doesn't matter where I'm from, or where I am, how far I've
come
Doesn't matter where I live, or what I have, You are my life
Doesn't matter who I've known, or what I've done, You take it all
You want me as I am I could be the one
Somebody You're looking for
I don't have much to give
Lord I'm ready
And through You
I could be the one
Whatever You want me to do
I will hold on to
What You say can be done
I could be the one It is amazing to see that You choose people like me
Who made it off track fall crashin' down to the ground
But that's when You picked me up and showed Your strength is enough
You can use a broken heart to heal a broken life Doesn't matter where I'm from, or where I am, how far I've
come
Doesn't matter where I live, or what I have, You are my life
Doesn't matter who I've known, or what I've done, You take it all
You want me as I am I could be the one
Somebody You're looking for
I don't have much to give
Lord I'm ready
And through You
I could be the one
Whatever You want me to do
I will hold on to what You say can be done
And I could be the one I could be the one
Somebody You're looking for
I don't have much to give
Lord I'm ready
And through You
I could be the one
Whatever You want me to do

I will hold on to what You say could be done
And I could be the one All right, all right
Shooby doop, shooby doop
All right, all right
Shooby doo, shooby doop, doop
All right You take the crazy things, You take the weakest things
You use the foolish things to show Your glory
Lord heal my broken heart, take all of my mistakes
You take all of me, I want You
Show how great You are I could be the one
Somebody You're looking for
I don't have much to give
Lord I'm ready
And through You
I could be the one
Whatever You want me to do
I will hold on to what You say can be done
And I could I could be the one
Somebody You're looking for
I don't have much to give
Lord I'm ready
And through You
I could be the one
Whatever You want me to do
I will hold on to what You say can be done
And I could be the one
