

Wrong Club

The Ting Tings

(Oh oh oh oh)
Hey, If you can't move your feet
You wanna stand like a woman
You wanna stand with me
If you don't seem to fit in
You wanna take some cover
You wanna leave with me Did I ever tell you about the way I wanna feel
Giving it up and fly away
Did I ever tell you about the good times that you get
Don't know if you got another day (Oh oh oh oh)
Hey! I'm in the wrong club
Listening to this shit
(Oh oh oh oh)
Hey! I'm in the wrong life, someone get me out of it
(Oh oh oh oh) And if you wanna come in
We can sit on boxes
I keep everything
Oh, and if you're standing in the corner
You can tell me you don't wanna talk
And I tell you how it's always been Did I ever tell you about the way I wanna feel
Giving it up and fly away
And did I ever tell you about the good times that you get
Don't know if you got another day (Oh oh oh oh)
Hey! I'm in the wrong club
Listening to this shit
(Oh oh oh oh)
Hey! I'm in the wrong life, someone get me out of it
(Oh oh oh oh) I ain't moving though the beat is on
Everyone's gonna let me know it
Get me out somewhere I belong
Come with me, we can over throw it
What's the matter with the crazy fool
Keep it in or I can go and show it
No DJ never saved my life (Oh oh oh oh)
Hey! I'm in the wrong club
Listening to this shit
(DJ never saved my life)
I'm in the wrong life, someone get me out of it (Oh oh oh oh)
Hey! I'm in the wrong club

Listening to this shit
I'm in the wrong life, someone get me out of it And everyone's gonna let me know it
Come with me, we can over throw it
Keep it in or I can go and show it (Oh oh oh oh)
Hey!
No DJ never saved my life And everyone's gonna let me know it
Come with me, we can over throw it
Keep it in or I can go and show (Oh oh oh oh)
Hey! And everyone's gonna let me know it
Come with me, we can over throw it
Keep it in or I can go and show it (Oh oh oh oh)
Hey!
