Poison Glen

Clannad

Way up there in the poison glen
Sun's going down on the misty mountain
And I'm watching
And wondering
Feeling something from long agoHaunted echo that surrounds the glen
The heather creeping through
The burned out ruins
And I'm watching
And wondering
Feeling spirits of long agoWho in the valley shed the poison tear?
No one knows
Old legend of a mythical hero
And I'm watching
And wondering
Feeling something from long agoMay this vale be my silver lining
Pleasing nature with a heart's desire
And I'm watching
And wondering
Feeling everything from long ago
