Coca Cola

Little Red

my one and only advice
is cold coca cola and ice
with a lemon slice on the lips
no i never waste a sip, but on you
and i know, i know you like it too
yeh its alright
yeh its alright
oh gotta love the flavour
in my mind i'm gonna savour
the taste on your lips,
i never waste a kiss
but i like you,
and i know, i know you like it too
its like sugar high
whenever you come round
but the higher i fly the greater the come down
i keep coming back for more
of that taste i adore
taste like you
and i know i know you like it too
my one and only advice is cold coca cola and ice
my one and only advice is cold coca cola and ice
hey do you like it
oh yea i like it
how much do you like it oh i like it
oh oh ice cold cola
