One Voice

Chorus 1:
Baby
Make my body go
Crazy
Make me lose control
Baby
Make my body go
Oh Oh Oh
Verse 1:
I'm not into all your money baby
Not really feeling your bling bling
Only need you to please my body baby
I can handle all material things
Just keep the lovin' good
Long as this is understood
Chorus 1:
Baby
Make my body go
Crazy
Make me lose control
Baby
Make my body go
Oh Oh Oh
Verse 2:
I don't need you to pay my car note for me
I don't want you to pay my bills
But when/ I call you/ just come over honey
Work it until I've had my fill
Just as long as you can hang
& keep me feeling the same
Chorus 2:
Boy I can be your lady
Just keep me satisfied
& keep my body singing
Oh Oh Oh
Ad Lib:
I'm not tripping on what you've got
I just need your company
I'm not tripping on what you've got

I know love don't cost a thing.
