

# I Melt With You

Jason Mraz

Moving forward using all my breath  
Making love to you was never second best  
I saw the world thrashing all around your face  
Never really knowing it was always mesh and lace I'll stop the world and melt with you  
You've seen the difference and  
It's getting better all the time  
There's nothing you and I won't do  
I'll stop the world and melt with you You should know better, dream of better lives  
The kind which never hate, you should see why  
Dropped in the state of imaginary grace You should know better, I made a pilgrimage  
To save this humans race, you should see why  
What I'm comprehending a race that was long gone by I'll stop the world and melt with you  
(Let's stop the world)  
You've seen the difference and  
It's getting better all the time  
There's nothing you and I won't do  
(Let's stop the world) I'll stop the world and melt with you  
The future's open wide  
(The future's open wide)  
The future's open wide Hmm, hmm, hmm, hmm, hmm, hmm, hmm  
Hmm, hmm, hmm, hmm, hmm, hmm, hmm I'll stop the world and melt with you  
(Let's stop the world)  
You've seen the difference and  
It's getting better all the time  
There's nothing you and I won't do  
(Let's stop the world) I'll stop the world and melt with you  
(Let's stop the world)  
I'll stop the world and melt with you  
(Let's stop the world)  
I'll stop the world and melt with you  
(Let's stop the world) You've seen the difference and  
It's getting better all the time  
There's nothing you and I won't do  
(Let's stop the world)  
I'll stop the world and melt with you  
(Let's stop the world)  
I'll stop the world, I'll stop the world
