

Just One Victory

[Todd Rundgren](#)

We've been waiting so long
We've been waiting for the sun to rise and shine
Shining still to give us the will Can you hear me, the sound of my voice?
I am here to tell you I have made my choice
I've been listening to what's been going down
There's just too much talk and gossip going 'round You may think that I'm a fool but I know the answer
Words become a tool, anyone can use them
Take the golden rule, as the best example
Eyes that have seen will know what I mean The time has come to take the bull by the horns
We've been so downhearted, we've been so forlorn
We get weak and we want to give in
But we still need each other if we want to win Hold that line, baby, hold that line
Get up boys and hit 'em one more time
We may be losing now but we can't stop trying
So hold that line, baby, hold that line If you don't know what to do about a world of trouble
You can pull it through if you need to
And if you believe it's true, it will surely happen
Shining still to give us the will Bright as the day, to show us the way
Somehow, someday We need just one victory and we're on our way
Prayin' for it all day and fightin' for it all night
Give us just one victory, it will be alright
We may feel about to fall but we go down fighting You will hear the call if you only listen
Underneath it all we are here together shining still
