

# Holding You Down (Goin' In Circles)

Jazmine Sullivan

Why cant I find somebody else  
When I know  
Know that you're doing wrong  
Its so hard  
Hard to let go I done went through just about two bags of tissues baby  
And you're looking at me like you ain't the issue baby  
And though I tried to leave  
I cant stop missing you baby  
And I keep coming  
I keep coming back I keep going in circles, circles  
Round and round  
And while you're doing me so wrong  
I just keep holding you down  
I feel so stupid, foolish  
Loving you all this way  
But what I can I say  
But I wanna go  
I wanna go  
But I keep coming back Why I'm so confused for you,  
I have no answer boy  
When I feel so used by you just like a toy  
Its a shame that you don't care enough  
To even give me half the love I give to you  
I live for you baby  
I'm ashamed to say that I'm to blame for how you act  
Cuz I keep coming  
I keep coming back I'm going in circles, circles  
Round and round  
And while you're doing me so wrong  
I just keep holding you down  
I feel so stupid, foolish  
Loving you all this way  
But what I can I say  
But I wanna go  
I wanna go  
But I keep coming back  
I cant stop... missing you baby I stay cuz I love you  
But I hate that I stay  
You know I won't go

That's why you treat me this way  
I want to be happy  
Though it hurts me so bad  
Don't know what it is that keeps me coming back  
Keep going in circles, circles  
Round and round  
And while you're doing me so wrong  
I just keep holding you down  
I feel so stupid, foolish  
Loving you all this way  
But what I can I say  
But I wanna go  
I wanna go  
But I keep coming back
