

I Told U So

David Sanborn

You said No
I heard hello
Get away from me
I heard come closer
Leave my house
I came the next day in
I don't love you
I missed the Don't
Settle down with you I can't no more
I missed the days with you
That's what I got
Now am standing betrayed
By the lies that I told me
Now am hoping that I
Write my wrongs
Now am standing betrayed
By the lies that I told me
Now am hoping that I
Write my wrongs
Gonna brace myself
Put on happy face
