

# The Best Days Of My Life

[Rod Stewart](#)

You always said living with me was impossible  
"Try it", I said, "Just like the wind I'm changeable"  
We ain't got money but we sure got laughs, lots of loving too  
So I confess on my behalf you're giving me honestly  
The best days of my life Your whispering girls said, "Don't be a fool, don't give into him  
He's an animal, treat you like dirt then he'll turn you in  
You two are not compatible, it'll never, never last"  
They said I wasn't even suitable  
But you're giving me honestly the best days of my life Sometimes I wonder, "Why does she bother with me at  
all?"  
So staid in my ways, let's face it, my dear, I'm insufferable  
The crazy nights spilling into days with all my noisy friends  
But they all love you as much as I  
Giving me constantly the best days of my life And a day without you at this point, my dear, seems unthinkable  
A night without you more often than not is unbearable  
But if it all can't work out, one can never, never tell  
In my heart there is no doubt  
You gave to me unselfishly the best days of my life But if it all can't work out one can never, never tell
