

# Are You Ready?

## Wire

Are you part of the future  
Part of the plan?  
Are you willing and able  
To do what you can?  
Are you part of the problem  
Or part of the band?  
Are you willing to draw  
A line in the sand?  
Are you true to your friends  
Loyal to your brand?  
Are you smoking for China  
Iraq or Japan?  
Are you searching for something  
You don't understand?  
Do you still hold ambitions  
Of being a man? Are you ready to live?  
Are you ready to die?  
Are you ready to live?  
Are you ready to die?  
Are you sickening for something?  
Feeling unwell?  
Are you drawn to corruption  
In love with its smell?  
Are you keeping a secret  
Got something to tell?  
Are you fighting for reason  
Under its spell?  
Are you dreaming of Heaven  
Living in Hell?  
Are you preaching for Jesus  
For Apple or Dell?  
Are you doomed to succeed  
Are you happy to fail?  
Are you facing extinction  
The end of the trail?
