Dream

Rock Kills Kid

I take a step forward then
I end up right back where
Where I started from back where I belong
Away from realityThis dream is never ending, I want to wake up from this dream
Wake up from this dream
I can't help my mental state, I play hard but I never can win
Just don't look back and keep on fightingI feel so empty right now
Nothing to inspire me but somehow
I keep on dreaming away
Hoping I will wake up soon somedayThis dream is never ending, I want to wake up from this dream
Wake up from this dream
I can't help my mental state, I play hard but I never can win
Just don't look back and keep on fightingI used to be a happy guy but not today
Don't try and tell me I will be okay
There's nothing I can do to wake up from this dreamThis dream is never ending, I want to wake up from this dream
Wake up from this dream
I can't help my mental state, I play hard but I never can win
Just don't look back and keep on fightingThis dream is never ending, I want to wake up from this dream
This dream is never ending, I want to wake up from this dream
This dream is never ending, I want to wake up from this dream
This dream is never ending, I want to wake up from this dream
