## **Dangerrr**

## **Gossip**

Baby, baby, baby, baby
I could be so good to you, baby
But honey, honey, honey, honey
All you gotta do is let me

But you gotta tell me if something's wrongAnd daddy, daddy, daddy, daddy,

I could spent my whole life waiting

But honey, honey, honey,

How long till you both get me?

'Cause it ain't right to keep me hanging on You weren't ready

So I waited till you were ready

And you couldn't steady

So I waited till you could steadyAnd you weren't here, babe

So I waited here, babe

And now that you've got me

What are you gonna do to keep me? But baby, baby, baby, baby

I could be so good to you, baby

But honey, honey, honey

All you've gotta do is let me

But you gotta tell me if something's wrongAnd daddy, daddy, daddy, daddy

I could spent my whole life waiting

But honey, honey, honey

How long till you both get me?

'Cause it ain't right to keep me hanging on You weren't ready

So I waited till you were ready

And you couldn't steady

So I waited till you could steadyAnd you weren't here, babe

So I waited here, babe

And now that you've got me

What are you gonna do to keep me
