

# Turn and Walk Away (2000 Remaster)

## The Babys

You still believe you love him  
I still believe I'm right  
You're lost and I can't find you  
You're somewhere in the night  
We've got nothing left to talk about  
This time it's goodbye  
But you can't hurt me anymore  
I've no more chance to cry  
Walk away  
Gonna build our plans to start again  
Walk away  
We're gonna turn our backs on love  
And walk away  
Captivated by you  
I'm reaching for your love  
Living in your shadow  
But that was not enough  
You don't seem to care about  
The reasons that I give  
We'll go fall in love again  
Survivors always live  
Walk away  
Gonna build our plans to start again  
Walk away  
We're gonna turn our backs on love  
And walk away  
I love you  
I love you still  
I am broken by your words  
But I love you still  
Walk away  
Gonna build our plans to start again  
Walk away  
We're gonna turn our backs on love again  
Walk away  
Turn around  
Turn and walk away  
We're gonna turn our backs on love  
Walk away

Turn around  
Turn and walk away  
We're gonna turn our backs on love  
Walk away  
Turn around  
Turn and walk away  
We're gonna turn our backs on love
