# Atlas (Album Version)

## Covenant

I'm a thousand people
From day to day
We are all airborne
Without ground control
I call my name
In the maelstromI'm not givin' in
So don't you give in
I'll be your Atlas
And carry our worldBut I guess
I won't save the world today
I'm just trying to survive
And perhaps I'll dream again
But I will find my cross
And I will take us homeBut I guess
I won't save the world todayI'm a thousand people
From day to day
Blues and so untitled
On the road to where
I'm losing my name
In the maelstromBut I'm not givin' in
So don't you give in
I'll be your Atlas
And carry us homeBut I guess
I won't save your world todayBut I guess
I won't save the world today
I'm just trying to survive
And perhaps I'll dream again
But I will find my cross
And I will take us homeBut I guess
I won't save the world today
I'm just trying to survive
And perhaps I'll dream again
But I will find my cross
And I will take us homeBut I guess
I won't save the world today
