

# Atlas (Album Version)

## Covenant

I'm a thousand people  
From day to day  
We are all airborne  
Without ground control  
I call my name  
In the maelstrom I'm not givin' in  
So don't you give in  
I'll be your Atlas  
And carry our world But I guess  
I won't save the world today  
I'm just trying to survive  
And perhaps I'll dream again  
But I will find my cross  
And I will take us home But I guess  
I won't save the world today I'm a thousand people  
From day to day  
Blues and so untitled  
On the road to where  
I'm losing my name  
In the maelstrom But I'm not givin' in  
So don't you give in  
I'll be your Atlas  
And carry us home But I guess  
I won't save your world today But I guess  
I won't save the world today  
I'm just trying to survive  
And perhaps I'll dream again  
But I will find my cross  
And I will take us home But I guess  
I won't save the world today  
I'm just trying to survive  
And perhaps I'll dream again  
But I will find my cross  
And I will take us home But I guess  
I won't save the world today
