

Come and See My Moda (feat. Yemi Alade)

MzVee

Mzvee yo, Yemi Alade eh! A woman of quality knows what she wants
if you want to tarry me and do what you want
then hurry hurry come carry your baby go Come and see my mother ah (My mother ah)
You must to see my mother ah (My Mother ah)
Come and see my mother eh (My mother ah)
You must to see my mother ah (My Mother ah) If you want, come and carry
On your marks, come and carry
If you want, come and carry
come and carry
If you want, come and carry
On your marks, come and carry
If you want, come and carry
come and carry If you want my body, then come see my Mummy
I no like your money but I know you want my body
My body, my body
Ha le le le body
Come see my mummy
Make it official, if you really mean am
Come and follow me, all the way to Ghana ohurry hurry come carry your baby go Come and see my mother ah
(My mother ah)
You must to see my mother ah (My Mother ah)
Come and see my mother eh (My mother ah)
You must to see my mother ah (My Mother ah)
If you want, come and carry
On your marks, come and carry
If you want, come and carry
come and carry
If you want, come and carry
On your marks, come and carry
If you want, come and carry
come and carry Yemi Alade
Mr Chairman
Oga LandLord

Local Official
Everyday na so so sisi o (na so so Sisi o)
Everyday na different specie o (of different Sisi o)
Say you love me, talk ya own
Anything I want you gat it

I'm the one you really want
All the others photocopy
Make it official, if you really mean am (Aha)
Make you follow me, all the way to Nigeria ohurry hurry come carry your baby goCome and see my mother
(My mother)
You must to see my mother (My Mother)
Come and see my mother eh (My mother)
You must to see my mother (My Mother)
If you want, come and carry
On your marks, come and carry
If you want, come and carry
come and carryIf you want, come and carry
On your marks, come and carry
If you want, come and carry
come and carryA woman of quality knows what she wants
if you want to carry me and do what you want
then hurry hurry come carry your baby goCome and see my mother (My mother)
You must to see my mother (My Mother)
Come and see my mother eh (My mother)
You must to see my mother (My Mother)
