## Saxon

We got a 747 coming down in the night  
There's no power, there's no runway lights  
Radio operator try to get a message through  
Tell the flight deck New York has no lights  
There's no power, what do we do  
A 747 coming down in the night  
Try to get a message through  
We were strangers in the night  
Both on separate flights  
Strangers in the night  
Going nowhere  
We were strangers in the night  
Both on separate flights  
Strangers in the night  
Going nowhere  
This is Scandinavian 101  
Flight from Hawaii coming out of the sun  
Kennedy, you should be in sight  
We can't see a thing here in the night  
Navigator says we're on the flight path  
There's no radio, no sign of life  
This is Sandinavian 101  
For Gods sake get the ground lights on  
'Cause we were strangers in the night  
Both on separate flights  
Strangers in the night  
Going nowhere  
We were strangers in the night  
Both on separate flights  
Strangers in the night  
Going nowhere  
There's a 747 goin' into the night  
There's no power they don't know why  
They've no fuel they gotta land soon  
They can't land by the light of the moon  
They're overshooting there's no guiding lights  
Set a course into the night  
Scandanavian 101  
For Gods sake get your ground lights on
