

Save You Tonight

One Direction

I, I want to save your
Want to save your heart tonight
He'll only break you
Leave you torn apart, oh{ Liam }
It's a quarter to three
Can't sleep at all
He's so overrated.
If you told me to jump, I'd take the fall
When he wouldn't take it{ Harry }
All that you want's under your nose (yeah)
You should open your eyes but they stay closed, closed{ Everyone }
I, I wanna save your
Wanna save your heart tonight
He'll only break you
Leave you torn apart, oh
I can't be no superman
But for you I'd be superhumanI, I want to save you,save you, save you, tonight{ Zayn }
Oh, now you're at home and he don't call
Cause he don't adore you
To him you are just another doll
And I tried to warn you{ Harry }
What you want, what you need has been right here (yeah)
I can see that you're holding back those tears, tears{ Everyone }
I, I wanna save you
Wanna save your heart tonight
He'll only break you
Leave you torn apart, oh
I can't be no superman
But for you I'd be superhumanI, I want to save you, save you, save you, tonight{ Louis }
Up, up and away
I'll take you with me
Up, up and away
I'll take you with me{ Everyone }
I, I wanna save you,
Wanna save your heart tonight.
He'll only break you,
Leave you torn apart, oh
I can't be no superman
But for you I'll be superhuman

I, I want to save you
Save you, save you, tonight I wanna save you, save you, save you tonight
I wanna save you, save you, save you tonight
