Take notice I'm approachin', scopin' out where the cushion at
Snatch her out this habitat, soon as I stab my hook in that
Can't stop lickin' my chops, watchin' her walk,
'n now I'm look at, them pair of apple Bottoms 'n
That bomb donka that she put in that
I got bottle full a captain n' jack, n' I'm ready to get it crackin',
Baby now tell me what'chu wanna do
I got a package full a magnums that's back at the pad if you wanna attack,
Then I'm a be strapped up for you
And all ya home girls, baby bring the whole hurd!
Its open season for pillow squeezin', 'n leavin' toes curled
Inebriated, slightly faded, time to get it poppin'

Pull up the bus, open the doors, n all the bunnies hop in
 Show me her naval ring, said there's one more underneath it

 I'm on the prow!
 Just a wiff'a the feminin' scent I'm equipin' for infinite pimpin', its goin' down
 See baby girl, I'll beat it up, and put it in a headlock
 When I snap n' go primeval on that ass, makin' the bed rockYou're one hunder-ed, we so hunter-ish
 You're one hunder-ed, we so hunter-ish
 You're one hunder-ed, we so hunter-ish
 You're one hunder-ed, we so hunter-ishI'm a sexual predator, better alert the neighbors
 'Cause they desprite house wives, is just my flavor
 Darth Vader, pullin' out my light saber
 And they like my hard candy covered now and later
 Spear chuck'a mother (Hey!) I'm a hunta, gathera
 Lookin' for a super soaka n' lofa ladder
 Bend'er over then ya stroke her, I mean ya stabbin'er

 Dine with me n N9ne, byin' fine wine
 We devour ya, carnivorous niggerish
 I gobble the top ya like it was liquorish
 I even tell fat girls (Hey!) come here, are ya ticklish?
 Dirk Digglar, might hurt'cha but might fit'cha
 Honey want a hunt'cha just ta hit'cha
 S'go on, take a chance, when I advance, don't freeze up
 Somethin' in ya pants I wanna beat up
 'Cause, ya-ya-yaYou're one hunder-ed, we so hunter-ish
 You're one hunder-ed, we so hunter-ish

 You're one hunder-ed, we so hunter-ish
 You're one hunder-ed, we so hunter-ish
