Take Me Back

.38 Special

Take me back to see you smile again
And the love you had for your friends
Take me back for the times we had
When we joked and laughed take me back

'Cause I know you'll live forever
And I know we're still together
through' your music and your love
Take me back, oh take me back, Oh take me back

You were proud and strong
You taught me right from wrong, what a friend!
Take me back for the words you spoke
always get me home to the end

'Cause I know you'll live forever
And I know we're still together
through' your music and your love
Take me back, take me back.

Take me back to see you smile again
And the love you had for your friends
Take me back for the times we had
When we joked and laughed take me back
'cause I'm lonely If you only could take me back

Take me back, won't you take me
Oh take me back, won't you take me, take me back,
Won't you take me, oh take me back,

I love the life that you live and the things that you give
So won't you take me, oh take me back
Won't you take me, (oh) take me back,

You said the strong would survive,
Oh Lord, gotta try
So won't you take me, oh take me back,
Won't you take me, oh take me back
There's just one thing to say:
Brother, I love you!

Won't you take me back...
