Virtual Riot - Running From The Cops ft. Armanni Reign

all (x2)
(SHEESH)
Walk in the room like â€œwhat up thoughâ€•
Itâ€™s 6:00 in the AM, and Iâ€™m about to win
The reason we the peeps with the guns though
With the pistols and whistles gonâ€™ blow

When there aint no pimp for the gun hoe
All of a sudden itâ€™s a role reversal
And Iâ€™ll be asking officials what they run for
But Iâ€™m done though,

Iâ€™ma take these shots and speak a sober manâ€™s mind
Why we gotta deal with what ever when weâ€™re all in together
With the bass is having a good time
Itâ€™s real out here I feel out here
We can deal if the pain donâ€™t stop
I donâ€™t wanna take a chance when I rock
Cause we canâ€™t dance when Iâ€™m running from the cops

(x3)Running from the cops

If canâ€™t dance when Iâ€™m running from the cops
Refugees

Cause we canâ€™t dance when Iâ€™m running from the cops
