

# Wasting My Time

## Take That

You've maybe seen me walk behind you  
I follow you just everywhere you go  
I've heard a whisper, they're telling me you've missed her  
I know you're loving someone else instead of loving me  
So I've been wasting my time  
Running after you girl  
Wasting my time  
Still I feel a sense of love  
Never be mine  
You're someone else's lady  
Always on my mind  
That I could steal your love away  
Even now I know it doesn't change me  
Maybe some day you'll be free again  
Till then remember babe  
I won't surrender, still hurts me when  
I know you're loving someone else instead of loving me  
So I've been wasting my time  
Running after you girl  
Wasting my time  
Still I feel a sense of love  
Never be mine  
You're someone else's lady  
Always on my mind  
That I would steal your love away  
You said that you've been missing me,  
But how can that be girl, how can that be girl.  
Now all our plans that used to be are passing us by  
You say I wanna be free.
