Last Boyfriend

B2k

Why you gotta ask me where I been?
Why you gotta talk in that accusing tone?
You think the worst of me
You always think I'm out doing you wrong
You getting on my nerves wit that
Always stressing me when I'm not home
I really do care for you
But if you keep on girl we won't last that long
I'm not your last boyfriend
Girl drop that baggage I won't have it
Stop tripping
I'm not cheating please believe me
I'm not your last boyfriend
Don't talk to me like you talk to him
Stop tripping
Stop yelling and accusing 'cause I'm not him
I really can't take all the arguing
Can you talk to me without raising your voice
Cause I'm not understanding you
Sounds like your just making a lot of noise
I didn't get down with you
For you to charge me with the things he did
Can you please just forget the past
'Cause I just can't dealing with this
I'm not your last boyfriend
Girl drop that baggage I won't have it
Stop tripping
I'm not cheating please believe me
I'm not your last boyfriend
Don't talk to me like you talk to him
Stop tripping
Stop yelling and accusing 'cause I'm not him
I'm not your last boyfriend
Girl drop that baggage I won't have it
Stop tripping
I'm not cheating please believe me
I'm not your last boyfriend
Don't talk to me like you talk to him
Stop tripping

Stop yelling and accusing 'cause I'm not him
Girl I do love you and you know that I do
But I can't keep on arguing with you
And you say you've been hurt
And I know that it's true
But I can't keep on paying for what I didn't do
Yo yo yo, you need to stop comparing
'Cuz I don't act like, don't look like
Don't sound like, I'ma treat you right
Got a lil' mo' to show, got mo' to blow
Talking bout mo' then the one befo'
That scrub, gotcha gotcha
Head all messed up, gotcha gotcha
Rejecting my love, got me, got me
In your situation, stuck, stop
I'm not your last boyfriend
Girl drop that baggage I won't have it
Stop tripping
I'm not cheating please believe me
I'm not your last boyfriend
Don't talk to me like you talk to him
Stop tripping
Stop yelling and accusing 'cause I'm not him
I'm not your last boyfriend
Girl drop that baggage I won't have it
Stop tripping
I'm not cheating please believe me
I'm not your last boyfriend
Don't talk to me like you talk to him
Stop tripping
Stop yelling and accusing 'cause I'm not him
I'm not your last boyfriend
Girl drop that baggage I won't have it
Stop tripping
I'm not cheating please believe me
I'm not your last boyfriend
Don't talk to me like you talk to him
Stop tripping
Stop yelling and accusing 'cause I'm not him
