Your Game

Will Young

I see you floatin' it constantly
You're making me feel like you
And I could be real, yeah
But then you're flippin' the game
You walk away you turn your back
Baby stop treading on me, baby
'Cause I'm mystified, yeah
And you know I've tried babe
I just can't get through to you, tell me
What you gonna do?
I don't know
What you gonna say?
I ain't sure
Always the same
All the time
Every day
Played my mind
I can't keep wasting my time
On your game
Ain't no doubt about it
Ain't no doubt about it
Ain't no doubt about it
Ain't no, no, no
I've taken all that I can
I've given to you my all
But you don't seem to respond, baby
Oh I can't stand all this waiting
'Cause my patience is fadin'
Pretty soon I'll be gone, yeah, yeah
Let's rectify it
You can't deny it, yeah
The way you feel for me, tell me
What you gonna do?
I don't know
What you gonna say?
I ain't sure
Always the same
All the time
Every day

Played my mind
I can't keep wasting my time
On your game
No more, no more
Wasting time
Playing your game
Seen it all before
Time and time
No way
'Cause I'm mystified, yeah
You know that I've tried
Just can't get through to you, tell me
What you gonna do?
I don't know
What you gonna say?
I ain't sure
Always the same
All the time
Every day
Played my mind
What you gonna do?
I don't know
What you gonna say?
I ain't sure
Always the same
All the time
Every day
Played my mind
I can't keep wasting my time
On your game
No more, no more
Wasting time
Playing your game
Seen it all before
Time, yeah
Ain't no doubt about it
Ain't no doubt about it
Ain't no doubt about it
Ain't no, no, no
Ain't no doubt about it
Ain't no doubt about it
Ain't no doubt about it
Ain't no, no, no
