

# I Will

**Ben Taylor**

Who knows how long I've loved you  
You know I love you still  
Will I wait a lonely lifetime?  
If you want me to, I will Girl if I ever saw you  
I didn't catch your name  
But it doesn't really matter  
I will always feel the same I love you forever and forever  
Love you with all my heart  
Love you whenever we're together  
Love you when we're apart, ooh And when at last I find you  
Your song will fill the air  
Sing it loud so I can hear you  
Make it easy to be near you  
For the things you do endear you to me  
Oh, you know I will, hmm I love you forever and forever  
Love you with all my heart  
I love you whenever we're together  
Love you when we're apart When at last I found you  
Your song will fill the air  
Sing it loud so I can hear you  
Make it easy to be near you  
All the things you do endear you to me  
Oh, you know I will I will  
I will, oh, hmm  
Yeah, yeah
