

Can I Get a Moment?

Jessica Mauboy

Too hot to touch?
I'm burning up
Have you heard the news?
I'm on the moveHey yeah-yeah-yeah
Hey yeah-yeah-yeah
Oh yeah-yeah-yeahHold up baby
Won't you let me get a little space?
No disrespect,
I'm not impressed right now
I'm doing meYou're do the most
You're way too close
And it's hard for me to breatheCan I get a moment? (Hey can I get a moment?)
Can I get a moment? (Hey can I get a moment?)
Can I get a moment to myself?Can I get a moment? (Hey)
Can I get a moment? (Hey)
Can I get a moment? (Hey-yeah)
Can I get a moment?Boy what's the rush?
You're doing way too much
Don't wanna be rude
But I'm on the moveHey yeah-yeah-yeah
Hey yeah-yeah-yeah
Oh yeah-yeah-yeahHold up baby
Won't you let me get a little space?
No disrespect,
I'm not impressed right now
I'm doing meYou do the most
You're way too close
It's hard for me to breatheCan I get a moment? (Hey can I get a moment?)
Can I get a moment? (Hey can I get a moment?)
Can I get a moment to myself?
Yeah
(hey, hey, hey)
Hey can I get a moment?
Can I get a moment?
Can I get a moment?
HeyAll my ladies know the deal
You know just how I feel
Say yeah yeah yeah yeah
There's a time and place to do it

But right now I'm 'bout to lose it
Can't you tell? Hold up baby
Won't you let me get a little space?
No disrespect,
I'm not impressed right now
I'm doing me You do the most
You're way too close
It's hard for me to breathe Can I get a moment? (Hey can I get a moment?)
Can I get a moment? (Hey can I get a moment?)
Can I get a moment to myself?
Hey can I get a moment? Hey
Hey can I get a moment? Hey
Hey can I get a moment? Hey-yeah All my ladies know the deal
You know just how I feel
Say yeah yeah yeah yeah
There's a time and place to do it
But right now I'm 'bout to lose it
Can't you tell? Hold up baby
Won't you let me get a little space?
No disrespect,
I'm not impressed right now
I'm doing me You do the most
You're way too close
It's hard for me to breathe Can I get a moment? (Hey can I get a moment?)
Can I get a moment? (Hey can I get a moment?)
Can I get a moment to myself?
Hey can I get a moment? Hey
Hey can I get a moment? Hey
Hey can I get a moment? Hey-yeah (Hey, hey) Hey can I get a moment?
Hey can I get a moment?
Hey can I get a moment?
