

# Unconscious Melody

## Viet Cong

I don't want a wave to come and carry me under  
its a time of designs  
I open up a book i cant understand the meaning  
I need something to heal  
falling over backwards in an embarrassing fashion  
embarrassing fashion  
have to get the feeling I don't have any sensation  
it isn't much of a feelingone you seed and you breed an unconscious melody  
turning on your intricate certainty?  
and I see you can see him through the tears?  
when you breed an unconscious melodyI hear a drum but there's no music  
different kind of beat to a different kind of drum  
there's too much fire to keep from burning  
there's too much water to keep from sinking  
too much distraction to help my thinking  
and maybe I'll be subject of worth discussing  
but the joy comes softly  
the joy comes softlyone you seek and you breed an unconscious melody  
turning on your intricate certainty?  
and i see you can see him through the tears?  
when you breed an unconscious melo-
