I Sell Society

Godhead

Don't go over there
That vulture's gonna get you
Come and bathe in my protective neon glow
Plug into my machine
Perfect and so clean
Plastic lives are all that's left so get in lineTell me all your problems
I've got just the thing to fix it
Sell it to you for this bargain basement price
I'll protect you from yourself and
All the trouble that surrounds you
Didn't you know that this World's not very niceI sell society
You won't hear lies from me
I'll tell you everything you want to hear
I bring prosperity
I'll suck you into me
I'll sell you everything you want to buyYour world has spikes on his back
And he wants to lay down on you
Don't like what I say
You best not go away
Take a look into my bag of wondersI'll pull out something
Special just for you
Don't tell anyone
It'll be our secretA weak and tainted soul
I stole from you know who
You want to buy it back
I'll have to charge you for twoI sell society
You won't hear lies from me
I'll tell you everything you want to hear
I bring prosperity
I'll suck you into me
I'll sell you everything you want to buyI sell society
You won't hear lies from me
I'll tell you everything you want to hear
I bring prosperity
I'll suck you into me
I'll sell you everything you want to buyI sell society
I'll tell you everything you want to hear
I sell society

I'll sell you everything you want to buy
