

# I Could Have Been A Dreamer

## Dio

Running with the wolf pack  
Feel like I'm never coming back  
And every time, there's sunshine  
I'm blind, yeahI am everybody  
And everyone that I know is me  
Everyone that I know won't seeI could have been a dreamer  
I could have been a shooting star  
I could have been a dreamer, yeahI'm another number  
And you know the numbers must agree  
But every time, the wind blows  
I can't fly, why?We take away tomorrow  
And never see the end of today  
Lock it up and send it away, foreverI could have been a dreamer  
I could have been a shooting star  
I could have been a dreamer  
'Cause dreams are what we are  
I could have been a dreamerRunning with the wolf pack  
Feel like I'm never coming back  
But maybe that was sunshine  
That I sawI've heard about a rainbow  
I've heard it makes you crazy  
I think I'm goin' crazy  
Crazy 'cause I seeI could have been a dreamer  
I could have been a shooting star  
I could have been a dreamer  
'Cause dreams are what we areI could have been a dreamer  
I could have been the one to fly  
I always could have been a dreamer  
'Cause dreamers never die, noI could have been a dreamer  
Dreamer  
I could have been a dreamer  
DreamerI could have been a dreamer  
Dreamer  
I could have been a dreamer
