Minimum 23 (Agoria Remix)

Josh Wink

Yea, You never said a word
You didn't send me no letter
Don't think I could forgive youSee our world is slowly dying
I'm no wasting no more time
Don't think I could believe youYea, You never said a word
You didn't send me no letter
Don't think I could forgive youSee our world is slowly dying
I'm no wasting no more time
Don't think I could believe youYea, our hands will get more wrinkle
And I hear It will be grey
Don't think I could forgive you
And see the children are starving
and the houses were destroy
Don't think they could forgive youHey, when seas will cover lands
And when men will be no more
Don't think you can forgive youYea, when there's just be silence
And when life will be over
Don't think you will forgive youYea, You never said a word
You didn't send me no letter
Don't think I could forgive youSee our world is slowly dying
I'm no wasting no more time
Don't think I could believe youYea, You never said a word
You didn't send me no letter
Don't think I could forgive you
See our world is slowly dying
I'm no wasting no more time
Don't think I could believe youYea, our hands will get more wrinkle
And I hear It will be grey
Don't think I could forgive youAnd see the children are starving
and the houses were destroy
Don't think they could forgive youHey, when seas will cover lands
And when men will be no more
Don't think you can forgive youYea, when there's just be silence
And when life will be over
Don't think you will forgive you
