I'm In Love (More Than a Conqueror)

Darwin Hobbs

INTRO:
Is there a reason to live?
Is there a reason to give?
It's the reason the father gave his son
it's the reason the savior gave his all
for us
He gave his all
for us
I'm in love with you
I'm in love with you
I'm in love with you
Gonna tell the world
That I'm in love with you

VERSE 1:
Who can describe
the father's love
who can define
unconditional
I will be the one
who will stand
I will be the one
who will give my all
for you
I will give my all
for you
I will give my all
for you
I will give my all
for you
I'm in love with you
I'm in love with you
I'm in love with you
