

# Jarama Valley

## Woody Guthrie

There's a valley in Spain called Jarama  
It's a place that we all know so well  
It was there that we gave of our manhood  
Where so many of our brave comrades fell  
We are proud of the Lincoln Battalion  
And the fight for Madrid that it made  
There we fought like true sons of the people  
As part of the Fifteenth Brigade  
Now we're far from that valley of sorrow  
But its mem'ry we never will forget  
So before we conclude this reunion  
Let us stand to our glorious dead  
There's a valley in Spain called Jarama  
It's a place that we all know so well  
It was there that we gave of our manhood  
Where so many of our brave comrades fell
