

Never Too Late

The Answer

[Verse 1]

I have been searching for 10, 000 years
Well I keep on learning yeh, learning how to ease my fears
CoNever too radictions clearly state, I'm never gonna find you before its too late
But who can predict a poor man's fate
I'm gonna keep movin on before its too late [Chorus]

Never Too Late

Never too know

Never too late

Never too

(BV) Never too late

Never too late

(BV) Never too late

Never too late

Listen [Verse 2]

Talk to me brother

Show me how to see

Well I have found another man willing to believe like me
Fascinations all around, gotta keep my feet down here on the ground

Can you hear the higher sound

You follow on before its too late [Chorus]

Never too late

Never too Low

Never too late

Never too (BV) Never too late

Never too late

(BV) Never too late

Never too late

(BV) Never too late

Never too late x3

Oh yeah

Oh [Outro]

I gotta know gotta know

Yes I do

Coz I have met my maker

Oh oh you know

Yes I have yes I have

Coz I have met my maker

Oh

(BV) I have met my maker

Yeah

I have met my maker
